## **COVID-19 (CORONA VIRUS) – AN UPDATE FOR ALL OF OUR CUSTOMERS**

Dear Customer's

From Thursday 24 September we have to shut no later than 22:00 BST each evening in line with the Government guidelines.

We are restricted by law to table service only, except for takeaways. Table bookings of more than six are not allowed and groups can't mingle.

We are legally required to take your contact details so you can be traced if there is an outbreak. We can be fined up to £10,000 if we take reservations of more than six, do not enforce social distancing, or do not take your contact details.

If you have downloaded the NHS Covid-19 app please scan the QR code from the poster provided at the entrance of the restaurant.

All our staff must now wear masks, as must customers when not seated at your table to eat or drink. The penalty for not wearing one, or breaking the "rule of six" has doubled to £200 for a first offence.

We will be taking bookings from 12 pm to 20.15.with the following conditions as follows:-

Tables are allocated 90 minutes for two people, 105 minutes for three or four people and 120 minutes for six people. You must leave the restaurant by 21.45 pm.

Thank you for your continued support during this unprecedented time, we look forward to welcoming our customers back, all be it under a very different setting.

Regards, Team No48 Kitchen & Bar.
